## *Principal Matters*

### *4.1 Tuesday 3<sup>rd</sup> October 2023*

It has been so good to hear students tell stories about what they got up to over the holidays. But now it is time to welcome back our students ready for the final term of this year.

Teachers have reminded students how important this last term is for keeping up with work and putting in their best effort to be ready for all the challenges of next year.

#### **Term 4 arrangements:**

Parents are reminded that students need to have a broad-brimmed **hat** for outdoor activities during this term. Even though it is raining today, we know that the weather will quickly turn to being bright and sunny and students will need protection.

Due to the possibility of **snakes**, we also have some restricted spaces around the school during the summer months – especially those areas that are adjacent to bush. Students are well aware of these **out-of-bounds areas** and have been provided with a clear plan of response in the event of seeing a snake. Fortunately, this has rarely happened, but we always need to be prepared.

Our school is in the list of schools who **must close on days that have a fire rating forecast of 'Catastrophic'**. On any days like this, no staff member, student or parent is permitted to be on the school site. Hopefully this won't happen very often, but in the event of this weather designation, parents will be advised at least the day before. In this situation, parents are advised to consider their own fire plans and how to respond safely as a family to this risk.

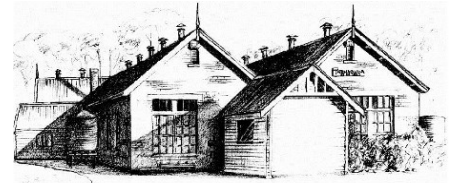

#### **St John First Aid:**

Alyce from St John First Aid has come to the school today to provide all students with what to do if confronted with a first aid situation. It is not a full course, but it has provided students with an understanding of assessing the danger of a situation, the responsiveness of the patient, and then how to correctly call an ambulance. The senior students also got to practise putting a patient in the recovery position and performing CPR.

3/10/2023 Term 4

## Harold the Giraffe visit

On Tuesday and Wednesday in the last week of term three, the 3-4 and the P-2 students attended the Life Ed program at Dunolly Primary School. We had a lot of fun exploring the human body and getting to know Harold the Giraffe. Did you know that giraffes have the same number of bones in their necks as we do (seven)?

### Child Safe Standard—Term 4 reminder

Tarnagulla Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

Should anyone wish to discuss any matter relating to child safety, please contact the principal.
