## Principal Matters

4.3 Tuesday 17<sup>th</sup> October 2023

It's been a big day today!

Our senior students took their bags and books into their 'real' classroom. After months of building works, they are finally back sitting at their desks in the almost finished room.

I say, almost finished, because there will be just one power point in the room that is operational until the new three-phase power is connected to the school. Once this is done, the solar panels will start covering our electricity usage again and the new reverse-cycle air conditioners will be available.

I also understand that the basketball rings have arrived and will shortly be installed on our new basketball court. Once this has happened, the fencing will be adjusted so that our students can use the new court. Another big day is coming!

## Planned Burn

I have been advised that there will be a planned burn of the bush around cemetery road on Thursday this week. It is **not** expected that the school will be impacted by smoke, but parents are advised that if there are any asthma concerns or any other respiratory issues, that students have medication available – just in case.

## Junior Tabloid Sports

Our junior class has just returned from a fantastic day with other schools in the cluster at Maryborough. The morning was packed with 12 different games and activities which were designed – apart from just being fun – to challenge participation and skill development. Our students really enjoyed meeting other students from the cluster – ones that they will meet many more times over the years during our various cluster activities.

## Hats

I would like to thank parents for their support in organizing hats for all students during these summer months. The days are definitely getting hotter and whilst some sun on skin is a good thing, at school we seek to minimise extended exposure.

# 15<sup>TH</sup>

# ANNIVERSARY

**CELEBRATING 150 YEARS OF  
BRIDGEWATER ON LODDON PRIMARY SCHOOL  
~ EST. 1870 ~**

**IT'S OUR BELATED 150TH BIRTHDAY**
